New Playground Plans - for young teens

There is an opportunity to see the designs for a proposed new playground in Canbury Gardens, designed for children aged 8 and above, at the **Pavilion this Thursday from 1.30pm - 6.30pm**. The site of the new proposed playground will be on the old bowling green behind the wild garden (see map below).

The council are keen to hear residents' views, so do pop along if you can. The initial proposals and design concepts can be viewed here: [New older children's play space in Canbury Gardens](#)
